

AgInfoLink Approved Suppliers of Non-Hormone Treated Cattle

The USDA requires that all farm, ranches, stockers, backgrounders and feedlots who raise beef destined for shipment to the European Union (EU) as Non-Hormone Treated Cattle must be audited, approved and listed on an Approved Suppliers for NHTC website in order to be eligible for export certification from FSIS.

The farms, ranches, stockers, backgrounders and feedlots listed below have been audited by AgInfoLink under their USDA-approved Process Verified Program for NHTC.
